

Students may qualify for free or reduced lunches if USDA income requirements are met. Students in households receiving SNAP, TANF, or FDPIR benefits can get free meals regardless of household income: however, you must provide your **case number** on the free and reduced price school meals application to qualify. Please submit Free and Reduced Price School Meals Application to our main office. **The application must be completed (no pencil, only black or blue pen may be used) in order to be processed.** One application per household is required. Please use student's official name, not a nickname, when completing the application. Applications are accepted throughout the school year. Should there be a change in your income, such as reduction/increase in salary, furlough, unemployment, etc., or household size, you must submit a new application at any time. Remember to include all students in your household, regardless of whether they attend St. Frances Cabrini Catholic School, on your application.

Once received at the school's main office it may take up to ten (10) calendar days to process an application. A result letter will be mailed, to the address on file, showing the result of the application. During this processing period, please plan accordingly by sending either a lunch or lunch money with your child.

In accordance with federal regulations, Free and Reduced Price School Meals Applications may be verified at any time during the course of the school; selection is random and notices will be sent out by regular mail any time a verification is required. In addition, should you disagree with the results of your free/reduced application you have the right to appeal the decision. You may request a hearing in writing: St. Frances Cabrini Catholic School: Student Nutrition, 1000 E. 8th Street, Alamogordo, NM 88310 or by calling (575) 437-7821.

If you should have any questions, please call Mr. Gonzales or Ms. Padilla at (575) 437-7821.
