Stations of the Cross

The Stations of the Cross are a 14-step Catholic devotion that commemorates Jesus Christ's last day on Earth as a man. The 14 devotions, or stations, focus on specific events of HIS last day, beginning with HIS condemnation. The stations are commonly used as a mini pilgrimage as the individual moves from station to station. At each station, the individual recalls and meditates on a specific event from Christ's last day. Specific prayers are recited, then the individual moves to the next station until all 14 are complete.

The Stations of the Cross are commonly found in churches as a series of 14 small icons or images. They can also appear in church yards arranged along paths. The stations are most prayed during Lent on Wednesdays and Fridays, and especially on Good Friday, the day of the year upon which the events occurred. They are as follows:

- ❖ CHRIST condemned to death.
- ❖ The cross is laid upon HIM.
- ❖ HIS first fall.
- ❖ HE meets HIS Blessed Mother.
- ❖ Simon of Cyrene is made to bear the cross.
- ❖ CHRIST'S face is wiped by Veronica.
- ❖ HIS second fall.
- ❖ HE meets the women of Jerusalem.
- ❖ HIS third fall.
- ❖ HE is stripped of His garments.
- ❖ HIS crucifixion.
- ❖ HIS death on the cross.
- ❖ HIS body is taken down from the cross.
- ❖ CHRIST is laid in the tomb.

The purpose of learning and understanding of the Stations of the Cross is to help the faithful to make in spirit, as it were, a pilgrimage to the chief scenes of Christ's sufferings and death, and this has become one of the most popular of Catholic devotions. It is carried out by passing from Station to Station, with certain prayers at each and devout meditation on the various incidents in turn.
