From Our Principal

St. Jude Children’s Research Hospital “Math-a-Thon” Information

We want to thank you so very much for your help, support, and most importantly prayers, for a very successful “Math-a-Thon” campaign! Because of your efforts, St. Frances Cabrini Catholic School donated a total of **\$2,030.00** to St. Jude. (\$1,400.00 was collected through online donations and the remaining \$630.00 was collected via cash and checks.)

Here is more information about **St. Jude Children’s Research Hospital**:

Our purpose is clear: Finding cures. Saving children.

St. Jude is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases.

Regardless of the duration or the cost of care, families never receive a bill from St. Jude for treatment, travel, housing, or food, so they can focus on helping their child live.

And we’re working to help children worldwide.

Treatments invented at St. Jude have helped push the overall childhood cancer survival rate in the United States from 20% to more than 80% since we opened in 1962.

However, in many developing countries fewer than one in five children with cancer will live. **St. Jude is working to change that.**

Again, **THANKS & GOD BLESS YOU ALL!**

STFCCS Facility Updates

- As we happily and gratefully informed you in our last Whispering Saints Newsletter, we are in the process of installing a Public Address (PA) System, thanks to 100 Women Who Care Alamogordo. Choice Communications will begin work within the next week or two with the installation.
- Canopy/Sunshade for our preschool has been ordered, and hopefully will be installed very soon.
- 2 needed exterior “new doors” will be installed in our preschool building and another 2 exterior doors in our main building, will also be installed very soon.
- A recent “school safety audit” was conducted by our Diocese of Las Cruces. There are some needed facility improvements needing addressed, as well. At our October 18th STFCCS Board of Trustees Meeting, we will be addressing these needs. You all are welcome to attend and provide your input and suggestions to address such needs.

Please know the website is and will always be a "living and working document". In other words, we are always working on adding, editing, improving it as the year progresses.

STUDENT SAFETY REMINDER

It is our school's policy and procedure that students **MUST** be signed in or out by a parent/guardian or any **ADULT** who has been designated and/or allowed to do so, again by the parent/guardian of our Saint students. **No MINOR** can check in or out a student! This is for the safety and accountability for all our Blessed Saints! Your help, support and understanding to adhere to this procedure is greatly appreciated!!!
