It felt like February was both the longest month and the shortest month all at the same time! Our little school had a lot of fun celebrating Valentine's Day with a school-wide dance, candy-grams and then we loved having a festive parade for Mardi Gras right before Lent! Thanks to the hard work and dedication of Mrs. Furman, our religion teacher, our chapel is looking more and more beautiful just in time for the season! Mrs. Furman has had all the classes helping to fix it up and as they have added the finishing touches, we appreciate more and more all their hard work and dedication! Our school had our own Science Fair in the past month and it went really well. The students who participated worked very hard!

Registration for the 2024-2025 school year is open online and the application for the ACE Scholarship is still available too! The rest of this school year is going to fly by and we will be getting ready for the next one soon.

Upcoming Events

Our Annual Enchilada Dinner is on Friday, March 8th, and we would like to thank all the parents, guardians, students and staff who have helped to sell tickets, advertise and donate supplies! The load is so much lighter when we all help and work together! Volunteers are needed for Wednesday, Thursday and Friday!

Parents and guardians are always welcome and encouraged to attend our school board meetings. This month's meeting will be on Wednesday, March 13th at 5:30pm.

Our monthly HSA meeting will be the following week on Wednesday, the 20th at 6:30. It is a potluck and childcare will be provided.

Our entire school will be taking a field trip to White Sands on Friday, March 22nd and their families are invited to go also for a Family Faith Day! We will leave the school between 9-9:30am and return at 1:00pm. Please be sure to send a packed lunch for your child unless you purchased the meatless lent lunch through HSA.

That afternoon, there will be a school wide Easter egg hunt! Please have each student bring candy filled eggs to participate in the fun! More information regarding both of these events will be available soon.

Before You Go...

Did you know that many of our teachers have a wish list for their classrooms on Amazon? There is one for the library and art class too! All of our teacher are so creative and have great ideas to help educate our kids and to make it fun and interesting! From furniture to hands on teaching tools, all items big and small are appreciated!
