The month of April flew by and this warm weather is already bringing thoughts of summer vacation and lazy summer days! Enrollment is open for next school year and please keep in mind that the registration price goes up later this month and again in June so now is the time to get it done! Our Home and School Association, (HSA), participated in the City of Alamogordo Earth Day celebration at the zoo and advertised our school and promoted our great Catholic education that we offer here, and many families we spoke to were interested! We have big plans for next school year and hope to see all of our little saints back with us along with new friends!

We would like to introduce our newest addition to our St. Frances Cabrini school family. Please stop by and introduce yourself to our new secretary, Monica Martinez! We are so glad to have you here!
